FY16-APR16-N-T7-0001, filed in this docket as Attachment 1 to the Postal Service's notice dated May 25, 2016,⁴ as representative of the contracts being filed.

The unredacted versions of the inputs worksheets that were used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice are being filed with the Commission under seal. The inputs worksheets are identical to the inputs worksheets that were included in the Postal Service's notice concerning the first group of GEPS – NPR 10 contracts filed in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket with the Postal Service's notice dated May 25, 2016, as representative of the inputs worksheets filed with this notice.⁵

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's March 15, 2016, notice in this docket.⁶ The application protects from disclosure the information that has been redacted from the contract and the inputs worksheets that the Postal Service is filing publicly today with this notice.
